

Join Us for an **INCREDIBLE** Assembly Session and One Day Leader Event

THEME
**X Marks the Spot:
Discovering Christ in Your Ministry**

History is full of stories of people searching for hidden treasure marked on an ancient map. While a few brave adventurers celebrated their success, the truth is that many quit, most failed, and some died. In church ministry, we don't have to be Indiana Jones to find the prize Jesus has for us. He is the X and will guide us to a rich and successful life and ministry – if we follow his map.

“But we have this treasure in jars of clay, to show that the surpassing power belongs to God and not to us.”

2 Corinthians 4:7, ESV

The Texas Ministries of the Church of God presents two awesome events on two back-to-back days. The format is unique for 2019. It will feature powerful videos of real-life Texas stories, along with impactful TED talks by some of our own leaders. We invite you to come to one or come to both! You will be equipped and encouraged!
