

# CHANGE IN CGM/ANDERSON REGISTRATION PROCESS

**All CGM/Anderson credentials registration must be performed through CHOG 24/7;** this is the registration process for Anderson and NOT the TXM.

Registering through Faithlife was discontinued in the fall of 2020. Those who registered in 2020 through Faithlife were told they would be set up for auto-renew registration, but that did not happen. Those that registered in 2020 through CHOG 24-7 (though they were instructed to renew through Faithlife) AND who signed up for auto-renew are now on auto renew.

**The Anderson Registration link is here: [CHOG Registration](#).**

**Note:** you must use the same email address that you previously used with CHOG 24-7 or it will not work.

Once you pay, you will be registered for this year and will also be set up for auto renew in future years.

Registration duration is for 12 months, from the date of registration. If a person pays his/her CHOG registration early, it doesn't shift their renewal date but rather "holds" the payment until the renewal date.

**Retired ministers**, you are encouraged to register too. Retired ministers may register for free!

If you have questions or wish to make changes to your account, go to your personal account at <https://chog24-7.org/>. The Customer Service Help Line is 800-848-2464.
